Here's some helpful tips to keep your account safe

1. Check your account statements and transactions regularly. Any suspicious transactions or fraudulent activity? Please call us immediately on 1300 308 008.
2. Set up account alerts to help monitor and protect your accounts.
3. Never share your security information and passcodes like PINs, passwords, verification codes or your full username with anyone.
4. Always keep your security information and passcodes safe. Never record them without protection.
5. Choose strong and unique passwords that no one else can guess. Do not use your name or birth date and consider using passphrases.
6. Remember to change your passwords often.
7. Stop, challenge and protect. If you're unsure who's contacting you, stop and check with someone you trust or contact the organisation directly.

Remember, HSBC will never ask you for your security information or passcodes. If you're being pressured, it's most likely a scam. If you fail to protect your security information and passcodes, or disclose your passcodes to anyone, you may be liable for your losses. For any unauthorised transactions, liability will be determined under the ePayments Code.

HSBC and YWCA NSW partner to support disadvantaged young people across Australia

HSBC partners with YWCA to deliver Money Savvy – a fun, interactive financial literacy workshop for at-risk teenagers, which to date, has helped over 4,500 teenagers understand how to put together a budget, the value of saving and ways to avoid financial scams.

HSBC also supports the delivery of Y Quest, a development program for teenage girls to help them maximise their potential. Both programs work in disadvantaged communities and our employees are invited to mentor at workshops, helping students to build their skills.

For more information about YWCA NSW and how you can support them visit www.ywcansw.com.au
